

Mission Statement

Cox and Company strives to be the preferred choice for accounting and business services in our community. It is our goal to provide exceptional customer service and to maintain the highest possible standards in quality of work and professional expertise. We will seek to develop productive, committed and loyal employees, and will do our utmost to help them achieve their professional goals. We will treat each other and our customers with integrity, courtesy and respect, will maintain a sincere commitment to an open and equitable workplace, and will use our unique skills and talents to aid in the development of our community. We will always remember that it is only through the success of our clients that we will achieve success.
